# Jesus Our Anchor of Hope

Greeting Ladies,

I hope this short note finds you doing well and experiencing the blessing of our God and Savior.

Ladies, I am writing to let you know, that due to the Marriage Conference (2/8 & 2/9), we decided to do something a little different this upcoming Friday and Monday. Instead of our regular study, we are going to enjoy extended worship, testimony, devotional and fellowship.

We look forward to seeing you then!

Walking joyfully in Him,

Ms. E. and the Ladies of Calvary Chapel Women's Ministry
